Display, light shelving, signage, crafts, models and presentation.

4 WARNINGS AND SAFETY INFORMATION

- Not a toy. Contains small parts - choking hazard. Keep away from children under 3 years. Intended for users aged 14 years and over.
- Acrylic can crack or shatter if overloaded, dropped or overtightened. Broken edges can be sharp - handle with care.
- Brackets and shelves: light loads only. Check that the wall fixings and the load suit the item; do not use for load-bearing or safety purposes.
- Acrylic is combustible. Keep away from naked flames and heat sources.
- Spheres and blocks can focus sunlight: do not leave them in direct sunlight near flammable materials.

5 CARE, STORAGE AND DISPOSAL

Clean with mild soapy water and a soft cloth. Do not use alcohol, solvents or abrasive cleaners. Store dry, out of direct sunlight.

Disposal: recycle the packaging where facilities exist. Dispose of the product through household waste or a recycling centre in line with local rules.
