UK	Caterpillar Red Limited is the UK manufacturer and responsible business for these products.

3 INTENDED USE

Light-duty hinging of lids, doors and panels on display cases, boxes, cabinets, models and crafts.

4 WARNINGS AND SAFETY INFORMATION

- Not a toy. Contains small parts - choking hazard. Keep away from children under 3 years. Intended for users aged 14 years and over.
- Light duty only. Check that the hinge size and number of hinges suit the weight of the lid or door. Do not use on load-bearing, safety or child-proof closures.
- Pinch point: keep fingers clear of the hinge line when opening and closing.
- Acrylic can crack or shatter if overloaded, dropped or overtightened. Broken edges can be sharp - handle with care.
- Tape-backed hinges: prepare the surfaces as shown in the Tape Instructions; full bond strength is reached after 72 hours.

5 CARE, STORAGE AND DISPOSAL

Clean with mild soapy water and a soft cloth. Do not use alcohol, solvents or abrasive cleaners on acrylic (they cause cracking and clouding). Store dry, out of direct sunlight.

Disposal: recycle the packaging where facilities exist. Dispose of the product through household waste or a recycling centre in line with local rules.

6 FURTHER INFORMATION

Material Data Sheets, Product Data Sheets, technical drawings and instruction sheets are on each product page at www.caterpillar-red.com.

Questions or a safety concern: info@caterpillar-red.com or the contact form at www.caterpillar-red.com.
